

My publications from January 2021 to September 2021

ART191

Muñoz, Lucio, 2021. **Sustainability thoughts 148: Which are the paradigm evolutions routes available in the case perfect capitalism is brought down by binding socio-environmental sustainability gap pressures? What is the nature of the market structure associated with each of those routes?**, In: *CEBEM-REDESMA Boletín*, Año 15, N° 9, September, La Paz, Bolivia.

<https://truesustainability.com/ART191.pdf>

ART194

Muñoz, Lucio, 2021. **Sustainability thoughts 151: An overview of market variability based on dominant component equality and freedom: What is the structure of a true perfect market?**, In: *International Journal of Business Management and Economic Review(IJBMER)*, Volume 4, Issue 5, September-October, ISSN 2581-4664, India.

<https://truesustainability.com/ART194.pdf>

ART189

Muñoz, Lucio, 2021. **Sustainability thoughts 146: Which are the paradigm evolutions routes available in the case perfect capitalism is brought down by binding social sustainability gap pressures? What is the nature of the market structure associated with each of those routes?**, In: *International Journal of Education Humanities and Social Science(IJEHSS)*, Vol. 4, No. 05, October, ISSN: 2582-0745, India.

<https://truesustainability.com/ART189.pdf>

ART193

Muñoz, Lucio, 2021. **Sustainability thoughts 150: An overview of perfect market variability based on component dominance and binding externality pressures**, In: *CEBEM-REDESMA Boletín*, Año 15, N° 8, August, La Paz, Bolivia.

<https://truesustainability.com/ART193.pdf>

ART180

Muñoz, Lucio, 2021. **Sustainability thoughts 137: Which are the paradigm evolutions routes available in the case perfect capitalism is brought down by binding environmental sustainability gap pressures? What is the nature of the market structure associated with each of those routes?**, In: *CEBEM-REDESMA Boletin*, Año 15, N° 8, August, La Paz, Bolivia.

<https://truesustainability.com/ART180.pdf>

ART190

Muñoz, Lucio, 2021. **Sustainability thoughts 147: How to link the general paradigm evolution model to the pure capitalism model when capitalism is under binding socio-environmental sustainability gap pressures? The case of socio-environmental fixes and socio-environmental patches to save capitalism through socio-environmental friendliness**, In: *International Journal of Business Management and Economic Review(IJBMER) ISSN: 2581-4664*, July-Aug 2021, Volume 4, Issue 4, Pp. 343-355, India.

<https://truesustainability.com/ART190.pdf>

ART192

Muñoz, Lucio, 2021. **Sustainability thoughts 149: An overview of perfect market variability based on component dominance and externality neutrality assumptions**, In: *International Journal of Management studies and Social Science Research(IJMSSSR)*, Vol. 3, Issue 4, July-August, Pp 268-274, ISSN: 2582-0265, India.

<https://truesustainability.com/ART192.pdf>

ART188

Muñoz, Lucio, 2021. **Sustainability thoughts 145: How to link the general paradigm evolution model to the pure capitalism model when capitalism is under binding social sustainability gap pressures? The case of social fixes and social patches to save capitalism through social friendliness**, In: *CEBEM-REDESMA Boletin*, Año 15, N° 7, July, La Paz, Bolivia.

<https://truesustainability.com/ART188.pdf>

ART179

Muñoz, Lucio, 2021. **Sustainability thoughts 136: How to link the general paradigm evolution model to the pure capitalism model when capitalism is under binding environmental sustainability gap pressures? The case of environmental fixes and of environmental patches to save capitalism through environmental friendliness**, In: *International Journal of Management studies and Social Science Research(IJMSSSR)*, Vol. 3, Issue 4, July-August, Pp 109-118, ISSN: 2582-0265, India.

<https://truesustainability.com/ART179.pdf>

ART178

Muñoz, Lucio, 2021. **Sustainability thoughts 135: How can a general paradigm evolution model aimed at capturing all possible market evolution routes in response to binding sustainability gap pressures be stated step by step?**, In: *CEBEM-REDESMA Boletín*, Año 15, N° 6, June, La Paz, Bolivia.

<https://truesustainability.com/ART178.pdf>

ART177

Muñoz, Lucio, 2021. **Sustainability thoughts 134: How can normal and extreme democratic outcome theory be used to point out the structure of the 2016 shift from true democracy thinking to temporary democratic authoritarianism thinking and its main implications?**, In: *CEBEM-REDESMA Boletín*, Año 15, N° 5, May, La Paz, Bolivia.

<https://truesustainability.com/ART177.pdf>

ART176

Muñoz, Lucio, 2021. **Sustainability thoughts 133: Stating the expected step by step road from majority rule based liberal democracies to permanent authoritarianism: The case of the 2016-2020 rise and fall of Trumpism**, In: *CEBEM-REDESMA Boletín*, Año 15, N° 5, May, La Paz, Bolivia.

<https://truesustainability.com/ART176.pdf>

ART174

Muñoz, Lucio, 2021. **Sustainability thoughts 131: How can the shift from normal liberal democracies to extreme liberal democracies be used to extract the democratic structure**

that leads to the rise of temporary and permanent authoritarianism from within?, In: *International Journal of Management studies and Social Science Research(IJMSSSR)*, Vol. 3, Issue 3, May-June, Pp 126-141, ISSN: 2582-0265, India.

<https://truesustainability.com/ART174.pdf>

ART165

Muñoz, Lucio, 2021. **Sustainability thoughts 122: How are red market paradigm shift knowledge gaps created from the pure capitalism angle? In which ways can they lead to the mishandling of the expected paradigm shift from pure capitalism to socially friendly capitalism?, In: *CEBEM-REDESMA Boletín*, Año 15, N° 4, April, La Paz, Bolivia.**

<https://truesustainability.com/ART165.pdf>

ART172

Muñoz, Lucio, 2021. **Sustainability thoughts 129: What was wrong with the cold war structure of Karl Marx's red socialism market model? Was the 1991 flip from red socialism to pure capitalism a logical solution to its economic sustainability problem? If not, why not?, In: *CEBEM-REDESMA Boletín*, Año 15, N° 4, April, La Paz, Bolivia.**

<https://truesustainability.com/ART172.pdf>

ART164

Muñoz, Lucio, 2021. **Sustainability thoughts 121: How are red market paradigm shift knowledge gaps created from the red socialism angle? In which ways can they lead to the mishandling of the expected paradigm shift from red socialism to economy friendly red socialism?, In: *International Journal of Education Humanities and Social Science (IJEHSS)*, March – April 2021, Volume 4, Issue 2, Pp. 270-285, ISSN: 2582-0745, India.**

<https://truesustainability.com/ART164.pdf>

ART175

Muñoz, Lucio, 2021. **Sustainability thoughts 132: How can a general majority rule based liberal democracy model be stated step by step and how can it be linked to normal democratic outcome and extreme democratic outcome existing and persisting dynamics?, In: *International Journal of Management studies and Social Science Research(IJMSSSR)*, Vol. 3, Issue 2, March-April, Pp 189-204, ISSN: 2582-0265, India.**

<https://truesustainability.com/ART175.pdf>

ART160

Muñoz, Lucio, 2021. **Sustainability thoughts 117: How the economic science based liberal democracy model should be expected to react when facing external shocks under equality?**, In: **CEBEM-REDESMA Boletín**, Año 15 N° 3, March, La Paz, Bolivia.

<https://truesustainability.com/ART160.pdf>

ART167

Muñoz, Lucio, 2021. **Sustainability thoughts 124: How are sustainability market paradigm shift knowledge gaps created from the pure capitalism angle? In which ways can they lead to the mishandling of the expected paradigm shift from pure capitalism to socially and environmentally friendly capitalism?**, In: **CEBEM-REDESMA Boletín**, Año 15 N° 3, March, La Paz, Bolivia.

<https://truesustainability.com/ART167.pdf>

ART171

Muñoz, Lucio, 2021. **Sustainability thoughts 128: How can the thinking behind sustainability based market expansions and traditional market based economic expansions be contrasted using pareto optimality thinking? How are these expansions linked to sustainability gap dynamics?**, In: *International Journal of Education Humanities and Social Science(IJEHSS)*, March – April 2021, Volume 4, Issue 2, Pp. 37-57, ISSN: 2582-0745, India.

<https://truesustainability.com/ART171.pdf>

ART166

Muñoz, Lucio, 2021. **Sustainability thoughts 123: How are green market paradigm shift knowledge gaps created from the pure capitalism angle? In which ways can they lead to the mishandling of the expected paradigm shift from pure capitalism to environmentally friendly capitalism?**, In: *International Journal of Management studies and Social Science Research(IJMSSSR)*, Vol. 3, Issue 2, March-April, Pp 63-75, ISSN: 2582-0265, India.

<https://truesustainability.com/ART166.pdf>

ART149

Muñoz, Lucio, 2021. **Sustainability thoughts 111: Linking perfect sustainability market theory to the circular sustainability based economy**, In: *CEBEM-REDESMA Boletín*, Año 15 N° 2, February, La Paz, Bolivia.

<https://truesustainability.com/ART149.pdf>

ART169

Muñoz, Lucio, 2021. **Sustainability thoughts 126: Are environmental externality management based production and consumption bundles inconsistent with green pareto efficiency and with pareto efficiency principles at the same time? If yes, why?**, In: *CEBEM-REDESMA Boletín*, Año 15 N° 2, February, La Paz, Bolivia.

<https://truesustainability.com/ART169.pdf>

ART170

Muñoz, Lucio, 2021. **Sustainability thoughts 127: Pareto optimality under the sustainability eye: Is the traditional pareto efficient bundle the second most undesirable bundle on the pareto optimality sustainability line? If yes, why?**, In: *International Journal of Management studies and Social Science Research(IJMSSSR)*, Vol. 3, Issue 1, January-February, Pp 180-196, ISSN: 2582-0265, India.

<https://truesustainability.com/ART170.pdf>

ART158

Muñoz, Lucio, 2021. **Sustainability thoughts 115: How can the sciences based liberal democracy model and the liberal market model be linked under equality? What are the implications of this?**, In: *CEBEM-REDESMA Boletín*, Año 15 N° 1, January, La Paz, Bolivia.

<https://truesustainability.com/ART158.pdf>

ART148

Muñoz, Lucio, 2021. **Sustainability thoughts 110: Linking perfect red market theory to the circular red economy**, In: *CEBEM-REDESMA Boletín*, Año 15 N° 1, January, La Paz, Bolivia.

<https://truesustainability.com/ART148.pdf>

ART121BookPublisherInternational

Muñoz, Lucio, 2021. **If Going From Free Markets to Free Markets Is the Science Based Approach: What is Then the Model Structure, Price Structure, Choice Structure and the Knowledge Structure and Related Gaps of the 2012 Paradigm Shift From Perfect Traditional Market to Perfect Green Market Thinking?**, In: *Insights into Economics and Management* ,Vol. 5, Chapter 1, Pp 1-17, Book Publisher International, January 21, ISBN: 978-93-90516-50-6 (Print), ISBN: 978-93-90516-51-3(eBook), London, UK.
